To Mr William L Garrison

Dear Sir

I write
you at the request of our friend
Sejourner Truth - therefore hope to
be pardoned for the intrusion.

Perhaps you may remember
that some years ago (25) a short
account of her life was written, entitled
The Narrative of Sejourner Truth.

She now proposes to have a
supplement to this book, mentioning the
the important incidents of her sub-
sequent life.

For this added part she
earnestly desires, to have you, Mr Garrison

Mrs Francis W. Titus
Battle Creek, Mich
PC Box. 1926.

write the opening Chapter.

Mr Pillsbury has informed you of her illness & that she has no income. Her Grandson is also very sick & dependent upon her for his support. He is failing rapidly but Sojourner is more comfortable.

Her friends are anxious to have the book published as soon as possible, hoping she may realize enough from its sale to supply her most pressing needs.

The Advent Publishers have most kindly offered to print it & wait for their pay till it is sold & her friends will assist her to sell it.

Should this meet with your approbation will you be so kind as to reply. Truly & Respectfully yours,
Francis W. Titus
